

FRUCTOSAMINE UPDATE

Date: January 28, 2008

Subject: Fructosamine Testing Changes

Dear Valued Clients,

Due to a consistently low number of test requests, we will no longer perform Fructosamine testing on site. Effective February 3, 2008, EMH Reference Laboratory will refer Fructosamine testing to Mayo Medical Laboratory.

The specimen requirement for this test has changed (see table below). Please update your Client Users manual.

<i>Test Name</i>	<i>Specimen</i>	<i>Method</i>	<i>Test Code</i>
Fructosamine, serum	1 SST (1 ml serum). Refrigerate.	Colorimetric Rate Reaction	\$FRU

<i>Price</i>	<i>Analytic Time</i>	<i>Reference Values</i>	<i>CPT Code</i>
\$38.60	3-7 days	200-285 umol./L	82985

For more information regarding this notice, please contact Ellen Michael, Senior Sales Representative, by phone (847-612-7058) or email ellenmichael@ameritech.net.
